- https://vaibhav-kesharwani.me/
- vaibbhavk
- vaibhav-kesharwani-5b8137111

SKILLS

Python	Java
C++	JavaScript
Kotlin	Data Structures and Algorithms
Android Development	Machine Learning
Django	Flask
FastAPI	React
Vue	HTML
CSS	Bootstrap
MUI	Tailwind CSS
Firebase	Express
Node.js	Spring Boot
Docker	MySQL
MongoDB	Git

SOFT SKILLS

Team Player	Deliver Results

I am a Computer Science student with an excellent problem-solving skills and an ability to perform well in a team.

EDUCATION

Institute of Engineering, Jiwaji University (Sep 2019 - Jun 2023)
BE in Computer Science and Engineering

Indian Institute of Technology Madras (Jan 2021 - Dec 2024)
BS in Data Science and Applications

PROJECTS

Univcomm (Sep 2022 - Present)
An app that has features similar to Quora, but limited to college/university campus.
- Built Backend and Admin app.
- 🔗 **https://github.com/minor-project-1**

`FastAPI` `React` `MUI` `PostgreSQL` `Python`

EXPERIENCE

Front End Developer at Tackzosoft (Aug 2021 - Sep 2021)
Intern
- Built an E-Commerce and a management website for the same, from scratch (front end).
- Added features such as buying, selling, renting, chat system between the product manager and the service manager, etc.
- Used React, Redux, HTML, CSS, JavaScript.

Full Stack Developer at WebBrainsMedia (Sep 2021 - Oct 2021)
Intern
- Built a CRM showcase website and a management dashboard for the same.
- Used Firebase, React, Redux, Gatsby, HTML, CSS, MUI, JavaScript.

CERTIFICATIONS

Foundation in Programming and Data Science (Dec 2021)
Indian Institute of Technology Madras
- **Show Credentials**

C++ Programming (Dec 2020)
PS Softech Education Services
- **Show Credentials**

HONORS & AWARDS

X-Frontier - 1st (Jul 2021)
Issued by XYZ House - IITM BS Degree
- Hackathon on UI replication using React.

INTERESTS

Travelling	Music	Fitness
Food	Self Improvement
